DEDICATION

After graduation we hope the image of our class will remain in your mind. In our later years our memories of F.H.S. will fade, but yours will remain bright. We will remember you because of your artistic murals, your crossword puzzle tests, and your "motherliness." You are our friend. You, Mrs. Murphy deserve this dedication.

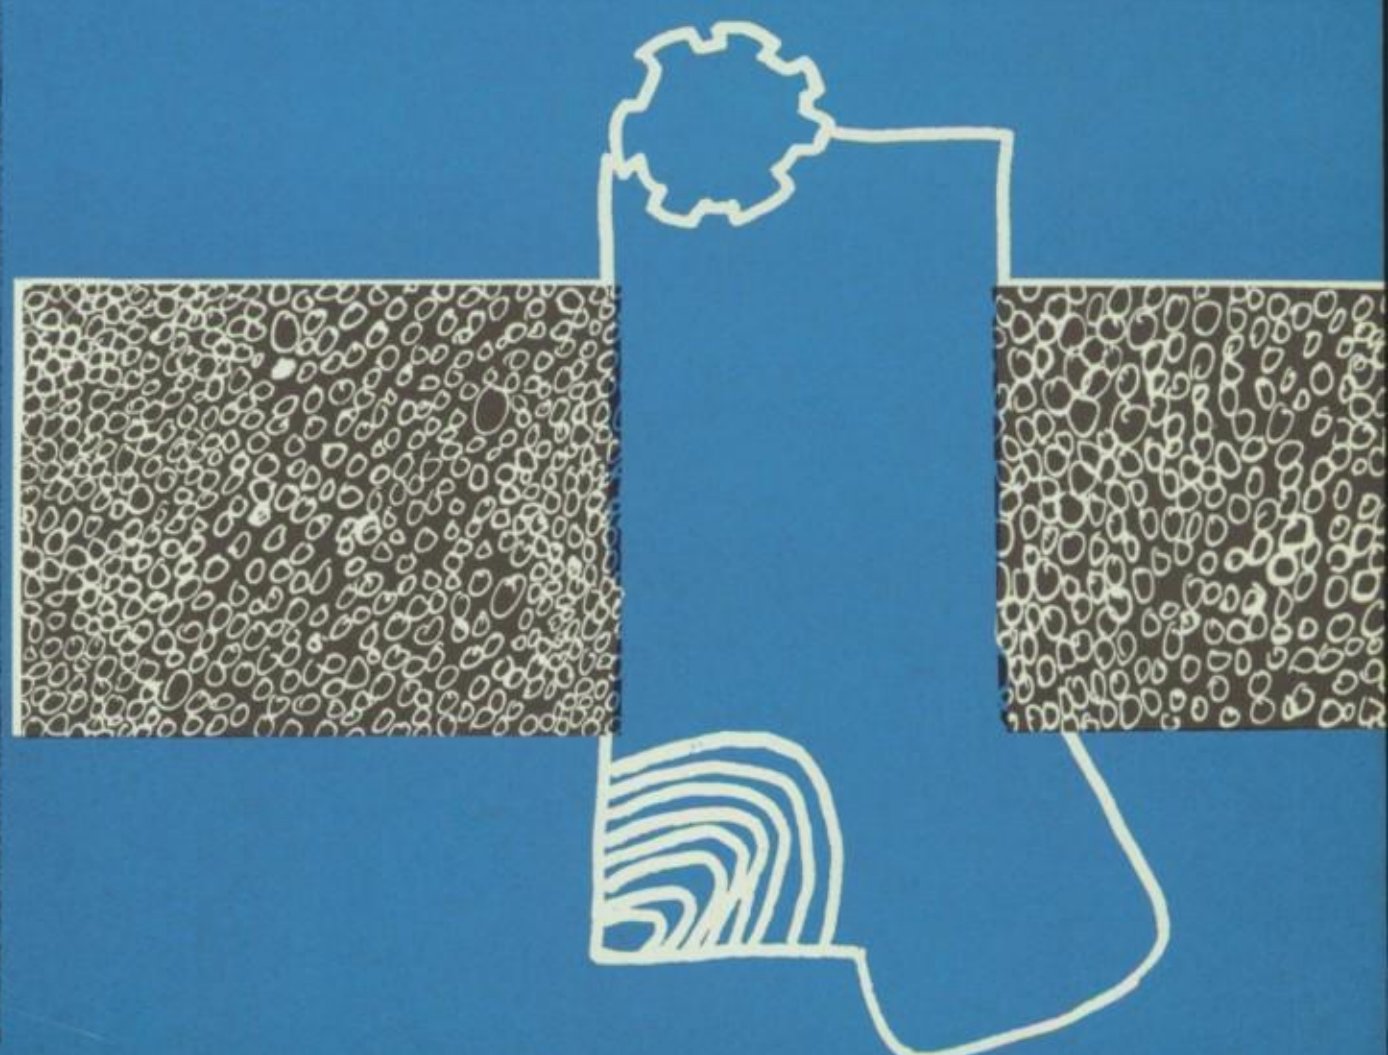
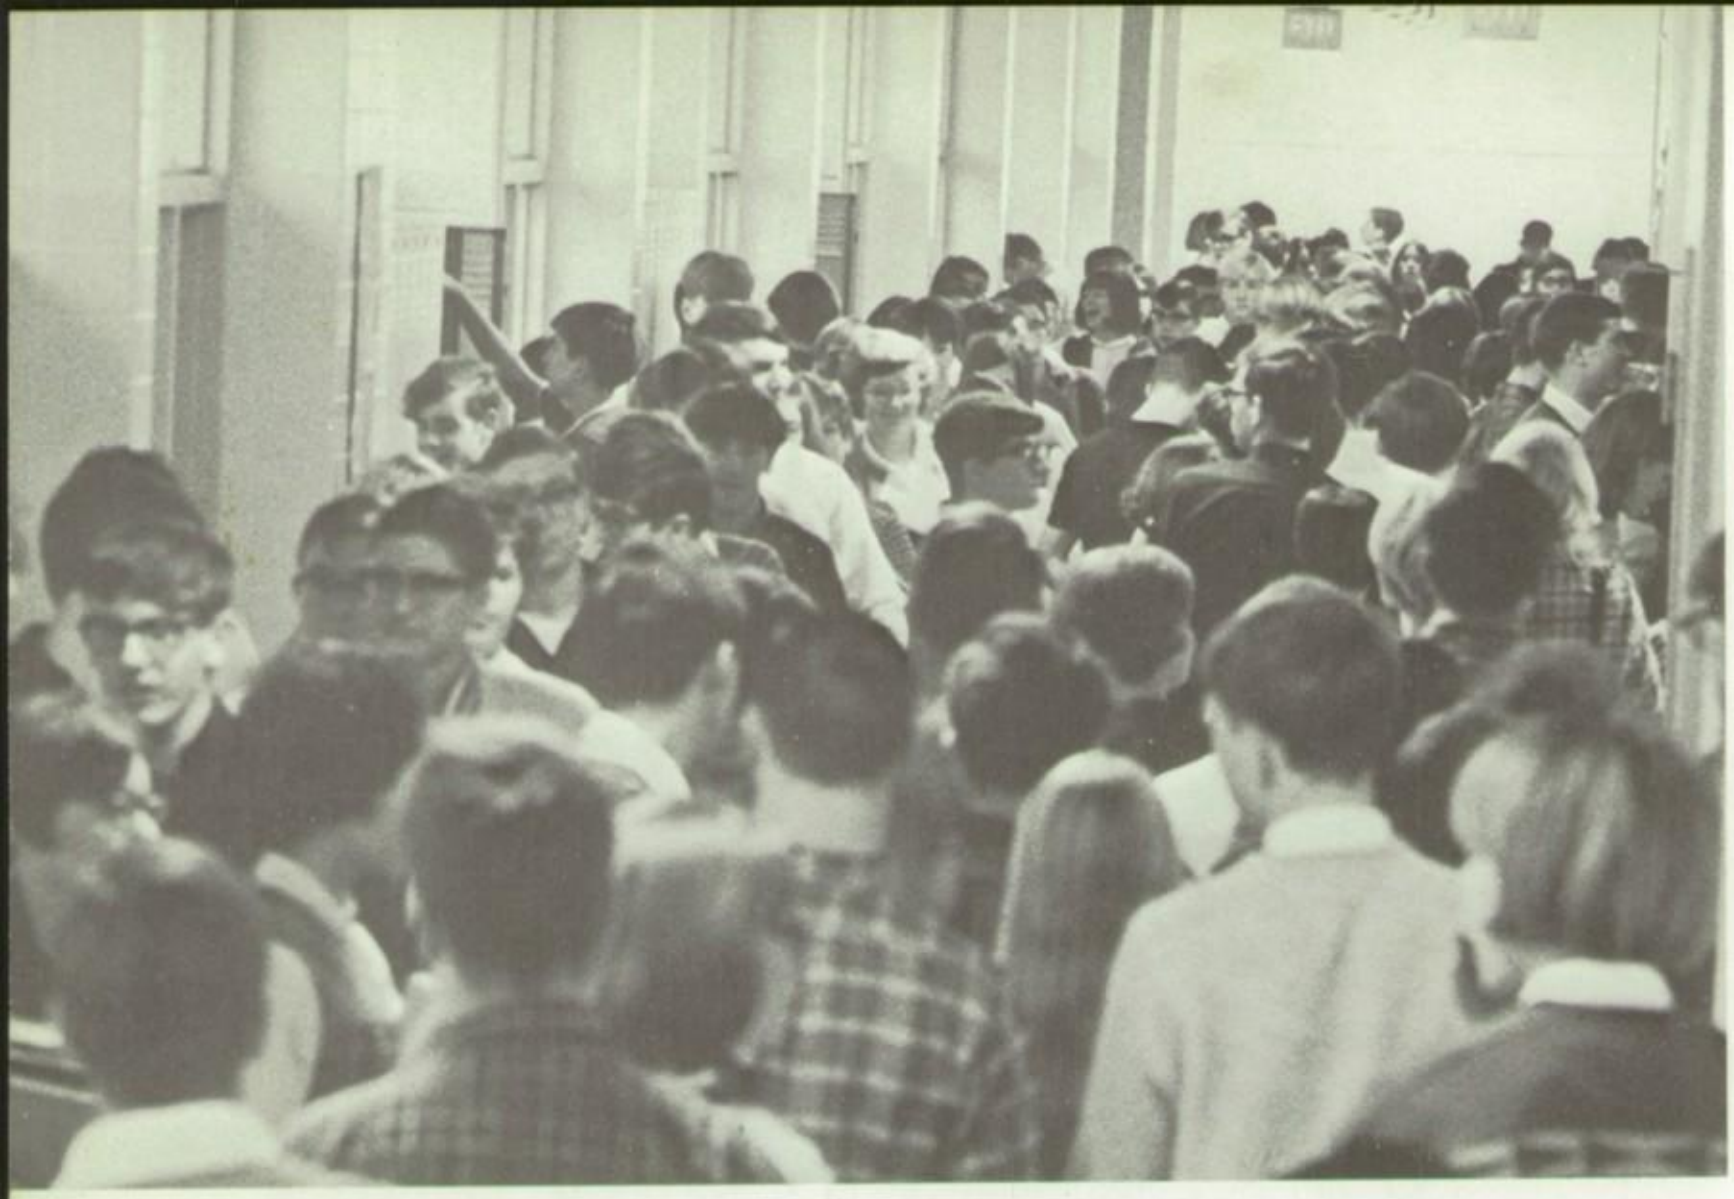
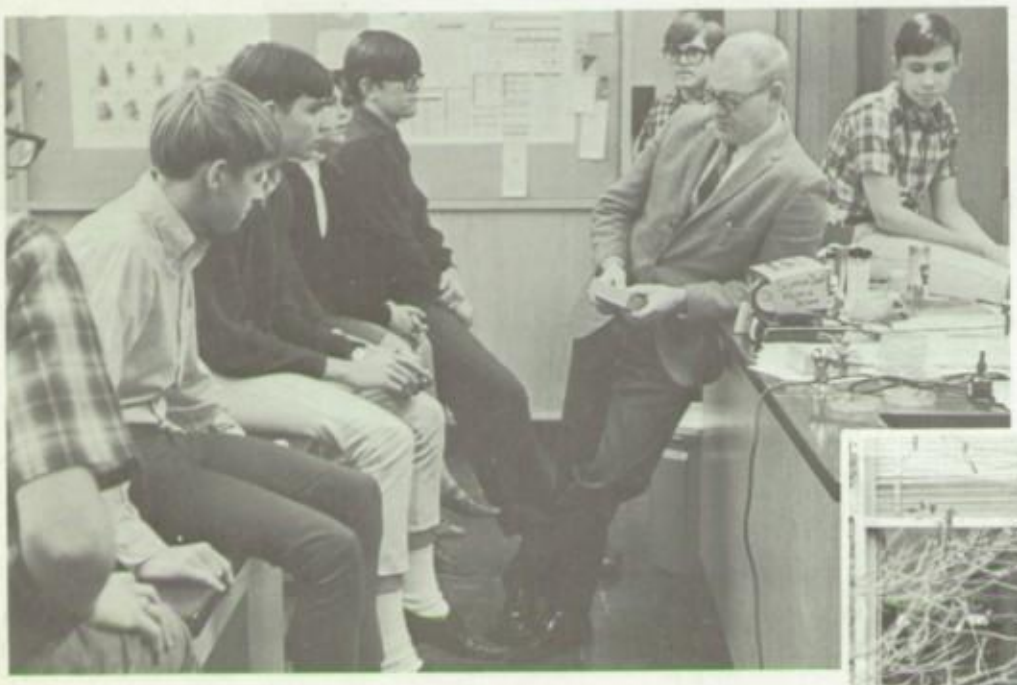
SCHOOL LIFE







The youthful years are a search for truth. We find this in the faces of our friends — in the quiet of our souls.

Out of thought, action, creation.

and relaxation we evolve into individuals.

We strengthen, we grow.

through the many facets
of school life.

The world
and all its
wonders belong
to the
individual
because he
aspires
to reach the
unreachable star.

yet we must cherish the companionship of others
for it is through them that we find ourselves. . .

ATAD

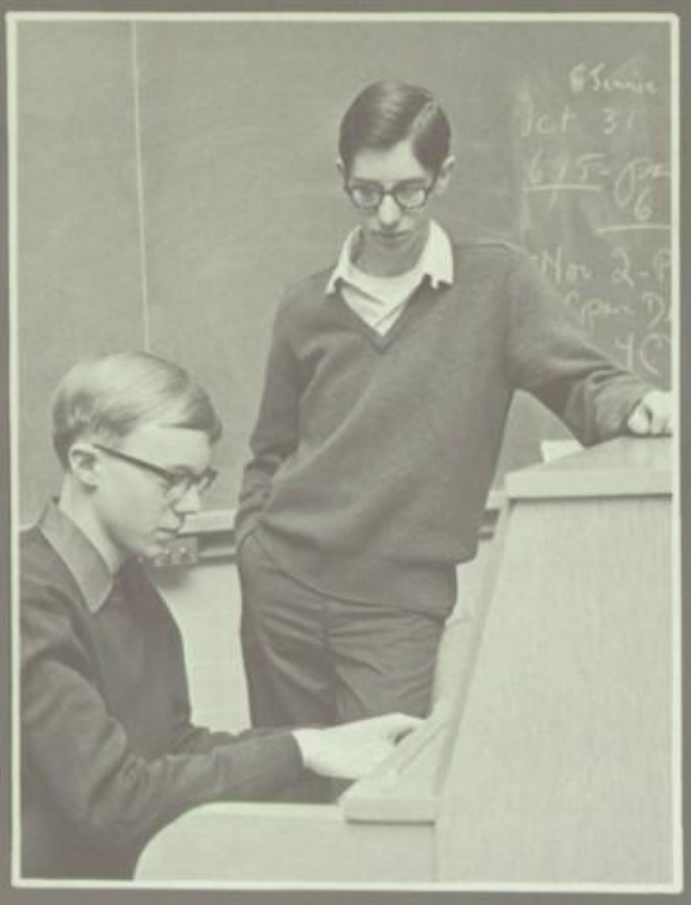
Jon Paddock left on the 25th day of June for Rudkobing, Langeland, Denmark. He stayed in the thirty room house of Leo Hulsrog, with his host brothers, Erik, 16 and Peter, 11.

Jon found Danish life easy to get used to except for "hearing Danish being spoken all around." As is common in most European countries there is little dating. Danish teen-agers seldom go out in groups.

Jon traveled to Germany, Holland, Belgium and Luxembourg with Erik's class. He also went on a trip to Copenhagen. He found this traveling the most exciting part of his stay.

Leslie Tyler spent the summer months of '66 in Gemlik, Turkey. She stayed at the home of the Kardestuncer family with her host sister Emine, 16, two other sisters, and one brother. Leslie found that the easiest to adjust to was the family itself. "They were all so kind that I felt like an actual member of the family." She found it exciting to learn about the Moslem culture and to see the remains of the great Roman Empire. Turkish girls are completely forbidden to date. As a result, their favorite pastime is to walk by the sea and look "unconspicuously" at the boys. Leslie definitely plans to go back.

Nancy Lauder spent the summer of '66 in Huancaw, Peru, under the Youth for Understanding Program. Her host family, the Judeh Mubarak family, consisted of her host sister, Mary, 16, three brothers and one other sister. The only difficult part was learning and speaking conversational Spanish. But the friendliness of her "family" made her feel a part of it as soon as she arrived. There, social life is centered around the family. She found no single high point in her stay, but the entire summer was "fabulous and entirely exciting." Nancy says, "I returned as I left, in a daze."



Wilhelm Bremer, better known to all as "Willie" came from Lehrte, West Germany. He arrived in our town at 5:00 A.M. on August 19, and stayed with Chris Allen and his family. Willie has participated in school activities such as ATAD, Ski Club, and our Cross Country team. He was most impressed by the social life of America being centered around school, since this is not true in Germany. He rates the Senior Play one of the most exciting parts of his stay, since he played Peter Van Dan in our presentation of "The Diary of Anne Frank". Although in Germany Willie took more subjects, he finds our courses more difficult. When he returns to Germany he will finish his thirteenth year of school before college. He plans to return to the United States in a few years.

EXCHANGE STUDENTS

Burkhard Menzler, one of our two exchange students from Germany, was hosted by Wayne Harris and his family. He arrived August 19 from Wiesbaden where he lived with his parents and three brothers. Burkhard was a member of our Cross Country team and ATAD. He was also carrying seven major subjects. He had fifteen subjects in Germany, although according to their educational system, they only meet once a week per subject. Burkhard enjoys all subjects especially "natural science and math". He likes "music, dancing and singing". He considers his host family "close to ideal" and he says it's a new feeling to have sisters. Burkhard has hopes of returning to the United States after college.

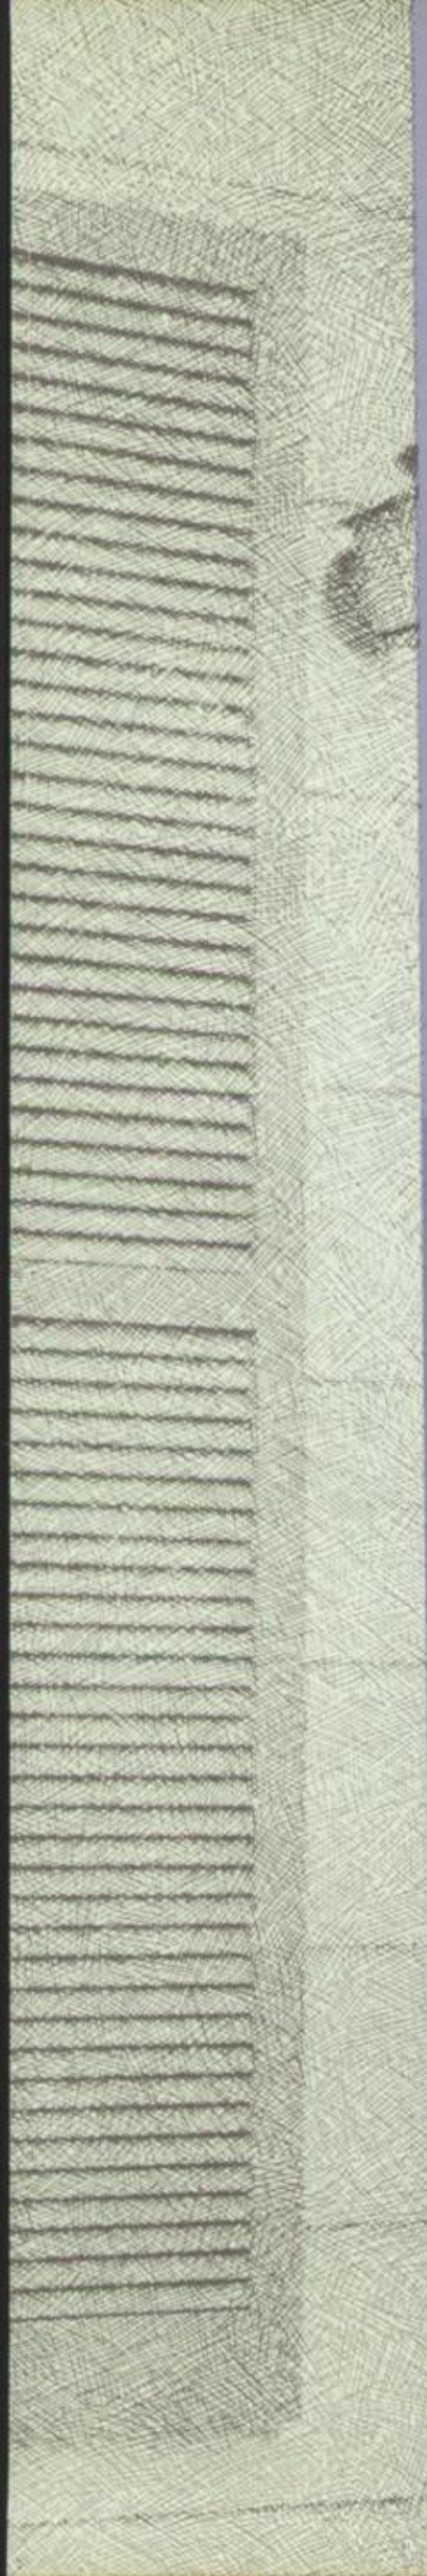
ACTIVITIES



STUDENT COUNCIL

STUDENT COUNCIL OFFICERS – First Row: N. Anderson, Secretary, M. Matteson, Treasurer. **Second Row:** J. Aparo, President, B. Bayer, Vice-President.

Our first meeting was called to order by President Jamie Aparo after a summer of careful planning. Many things were of the first order of business - the Senior Lounge, activities, fund raising projects, Fall Weekend, and the new constitution.

Under the new constitution three councils had been created. With the aid of Vice-President Bob Bayer, Jamie soon had these in effect and running smoothly.

The Senior Lounge opened early in December providing another place for Seniors to spend their study hall time.

During the last weekend of September, Fairport held its first Fall Weekend. After the game we held a dance and proudly crowned Dave Doser king and Connie Hoose queen.

We had a wonderful year and sincerely hope all those who have participated in Student Council benefited and will project these things into their futures.

Respectfully submitted,
Nancy E. Anderson

"Hey! Anybody seen the ball?"

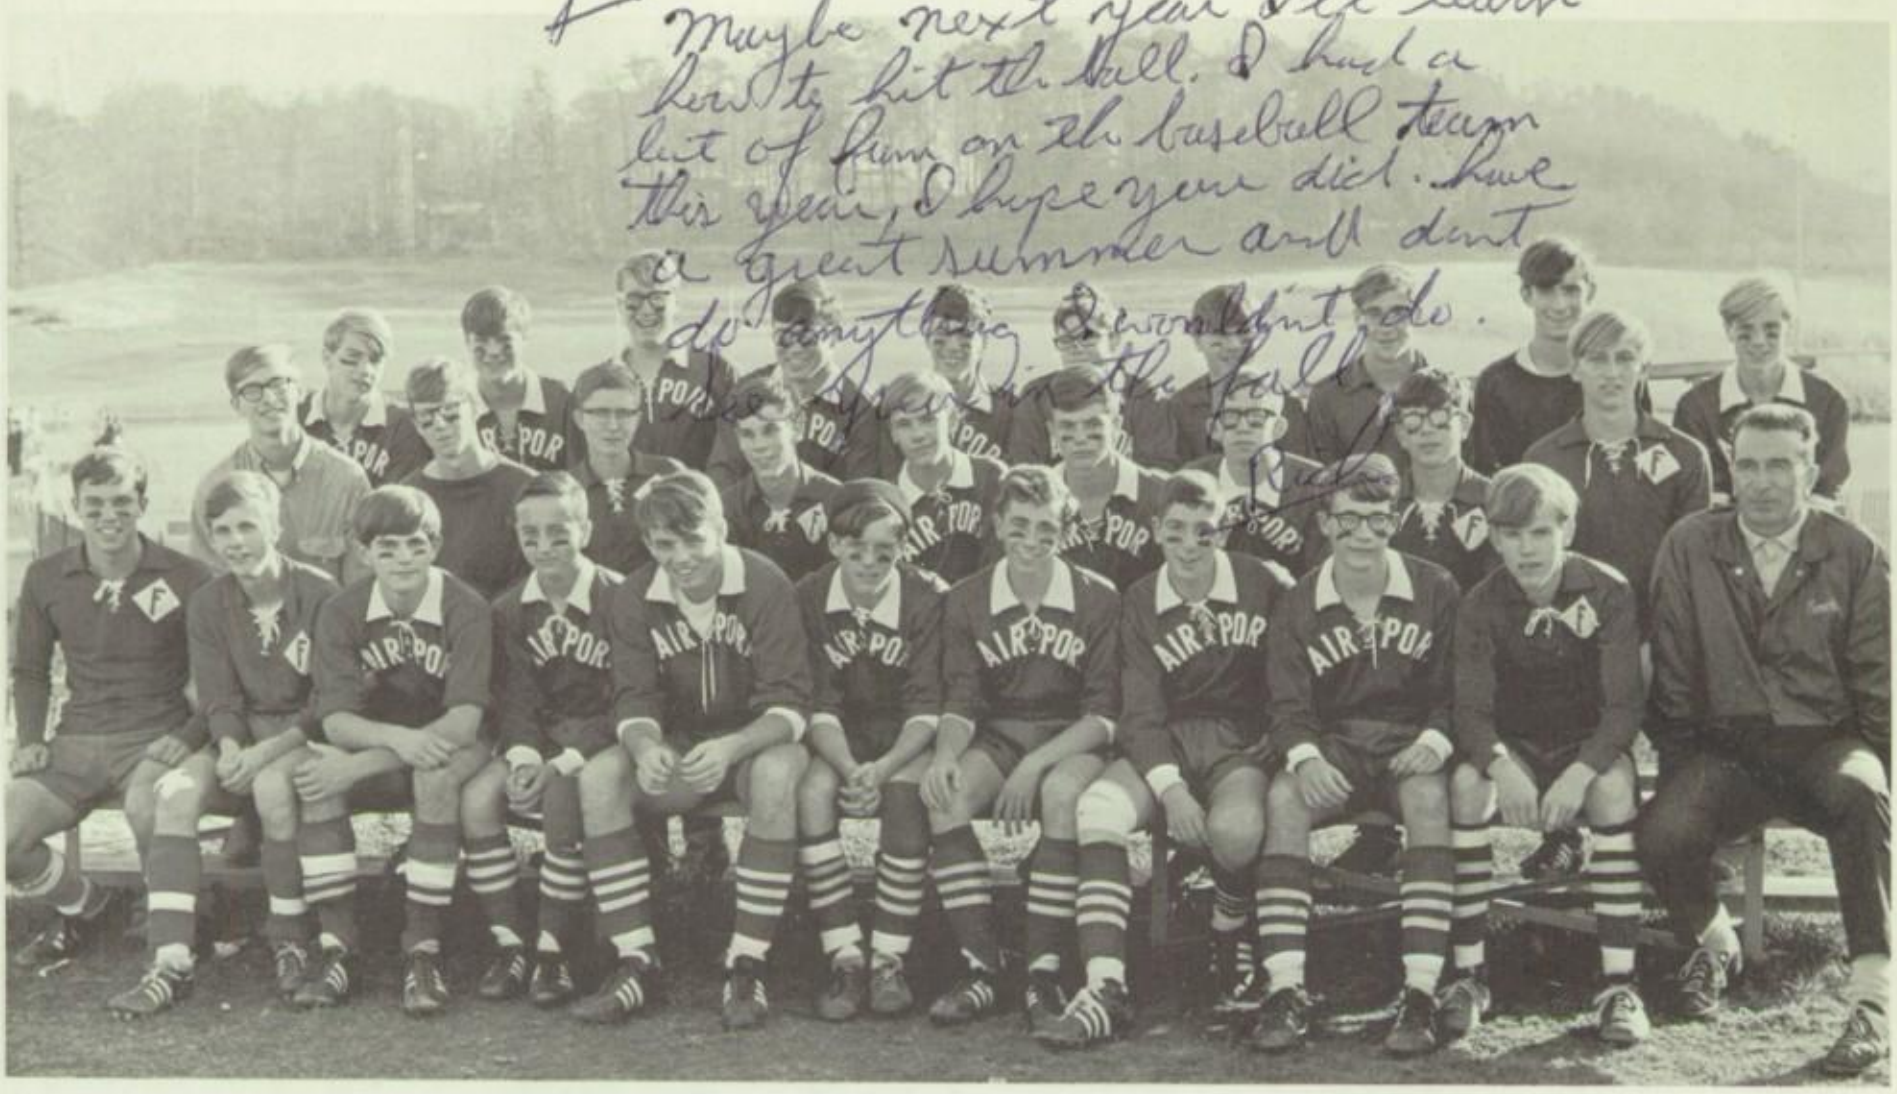
SECTIONALS!

"The whole team had great desire and hustle, the marks of a winning team." This is the way Coach Paddock described the first soccer team to make sectionals. They were second place in the league with a 9-4-2 record. Some of the highlights of the season were the games with Brighton, 4-0; Gates-Chili, 3-3; and Franklin, 3-3. Franklin was the opening sectional game. This game was played over and Franklin won with a 2-0 score. There were six shut-outs by Gary Raymond, Jim Dudley, and George Fribance.

Bill Shearer, captain, led the scoring with 14 goals. He and Charlie Reed made the All County Team, the second time around for Bill. The team will be losing Bill and eleven other Seniors this year.

Bill Schearer shows his All County skill against Wheat-land-Chili.

"That's using your head, Stoney!"



John
Maybe next year I'll learn
how to hit the ball. I had a
lot of fun on the baseball team
this year, I hope you did. Have
a great summer and don't
do anything I wouldn't do.
See you in the fall

The 1966 football season, though not a winning one, revealed a comeback in Red Raider spirit. This was true with the team as well as the spectators.

In the All Central Western Conference, Jamie Aparo made the second team, playing end; Chuck Herzog and Scott Faucher won honorable mentions. In both Fairport teams, 13 seniors, 4 juniors and 3 sophomores earned varsity letters. Senior Dave Doser was captain of the varsity team.

The high point of the season was the Canandaigua game. Undefeated Canandaigua won a close victory over the Raiders with a score of 7-0. Fairport's strong defense held the score down.

We have great hopes for increased success and spirit next year.

VARSITY – First Row: C. Swanson, R. Porta, W. Shearer, G. Raymond, G. Amyot, A. Sleeman. **Second Row:** Coach Paddock, Mr. J. Sanders, L. Brown, J. Schoolmaster, G. Granger, V. Masciangelo, F. Heil, P. Brownell, S. Castor.

RAIDER SPIRIT REMAINS GREAT

Eight seniors returned to form the backbone of the varsity basketball team for 1966-67: Gary Raymond, Bill Shearer, Glenn Granger, Fred Heil, Bob Porta, Lex Sleeman, Jon Paddock, and Larry Brown. Co-captains were Bill Shearer and Gary Raymond.

Mr. Paddock feels that though this was a "hard luck team," the boys played some good games and tried hard. Two of the best games played were the East Rochester and the Brighton games. Fairport fought hard and lost by a slim margin to both: E. R., 42-40; Brighton, 46-40.

We are proud of the spirit shown by the boys on both teams, and we are not in the least discouraged about next year's possibilities.

Next year, after twenty years of coaching, Mr. Paddock is retiring from coaching basketball. We thank you, Coach, for your hard work with the team; we wish you the best of luck with next year's soccer team.

VARIETY ADDS TO WINTER SPORTS SCENE

Fairport added a new team to their winter sports. The gymnastics team has no regular schedules, but the coaches set up meets with Webster, Irondequoit, Rush Henrietta. The events these boys participate in are: Dave Bills, still rings and side horse; Dennis Kyros, parallel bars; and the rest show their skills on the horse, high bar, and parallel bars. The team will begin a regular season next year.

Rich Frey, Jack MacDuff, and Jamie Aparo were the leaders on this year's wrestling team. The season's highlights were the defeats of Penfield 28-22, Webster 24-23, and the County Tournament in February.

The swimming team had a return of 11 varsity swimmers. Steve Whitman, who broke some records last year, kept up with his pace by breaking the 50 yard, 100 yard, 200 yard, and 400 yard Free Style records. The team won meets against Acquinas, McQuaid, and Greece Olympia.

WRESTLING TEAM—**Kneeling:** L. DePuy, D. LeClair, J. Mackenzie, R. Frey, S. Profetta, S. Becker, M. Hickey, C. Murray, M. Parsons, D. Bair. **Standing:** S. Bingham, Mr. Concilla, H. Rought, Coach Logan, J. Aparo, J. Murphy, G. Harvey, J. MacDuff, J. Sozio, D. Doser, B. Bayer, L. Gordon, R. Connors, D. Snider, S. Legan, R. Sayer (Manager).

Cross Country: Mr. Dianetti, T. Herrmann, D. Orpin, W. Harris, J. Copp, B. Copp, B. Menzler.

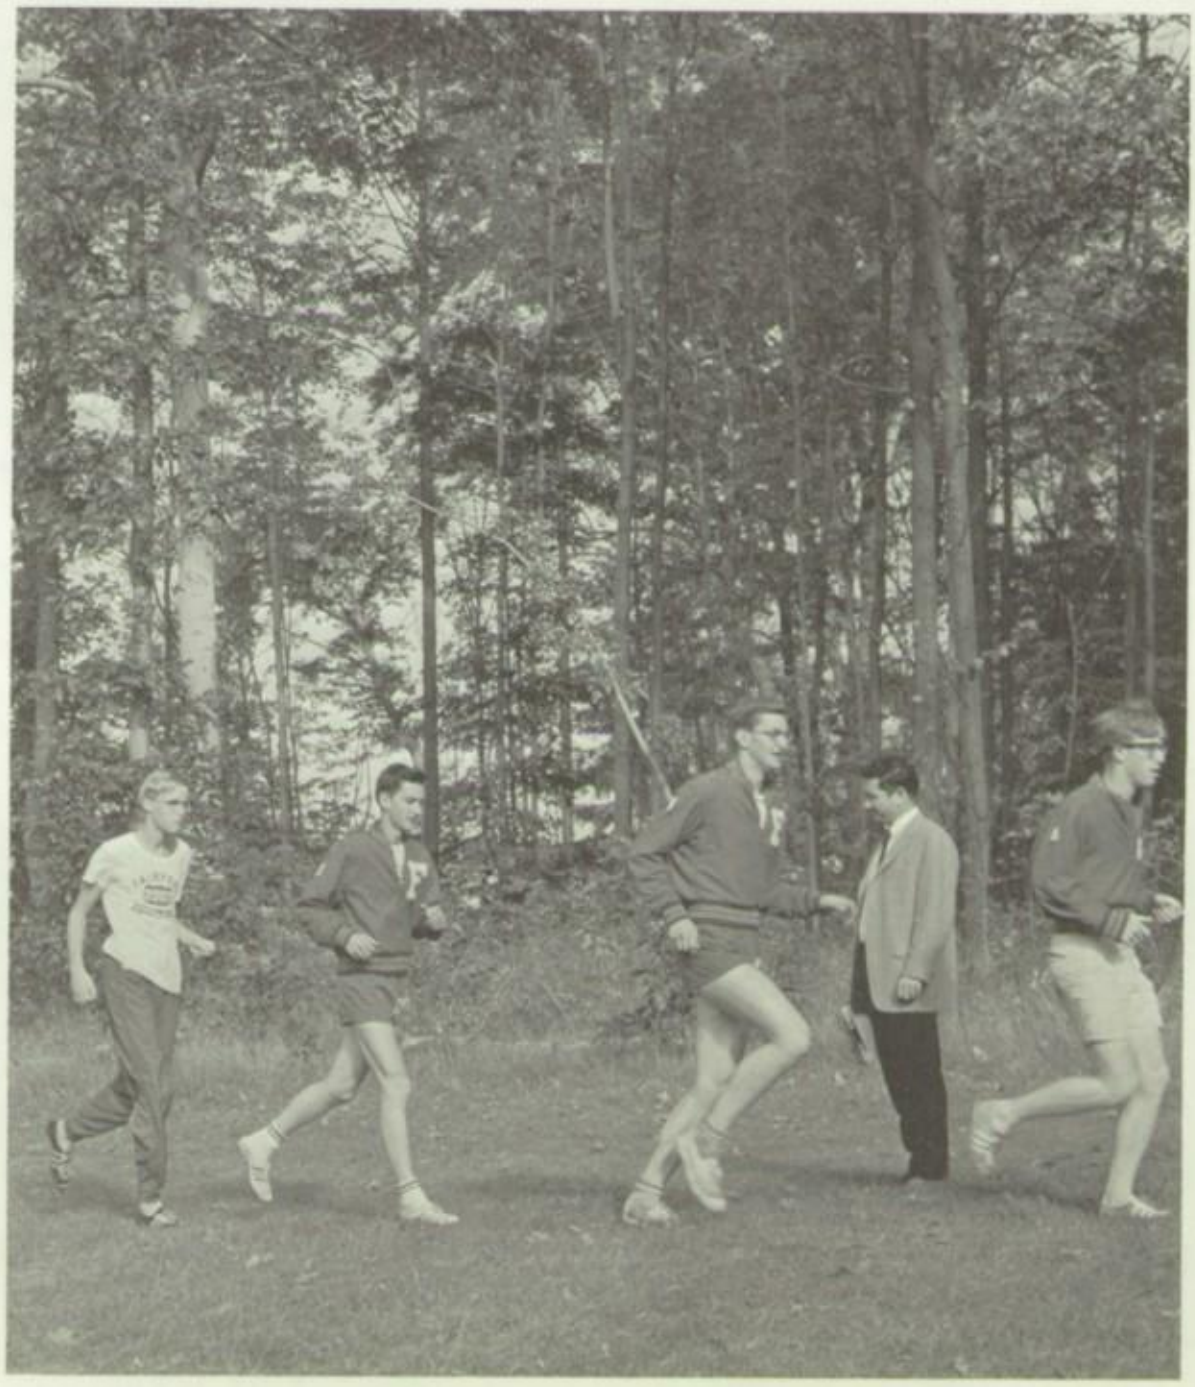
HARRIERS LACK IN NUMBER— NOT IN SPIRIT!

The 1966 season found the Fairport harriers with a handicap, in that very few boys went out for this sport. Their record was 0 wins, 7 losses.

The most outstanding runner was senior Bob Copp; Stuart Cole, a freshman, was second top runner. All the boys worked hard.

Mr. Dianetti says that "a plea for more boys is essential if we are to be any competition in next season's meets."

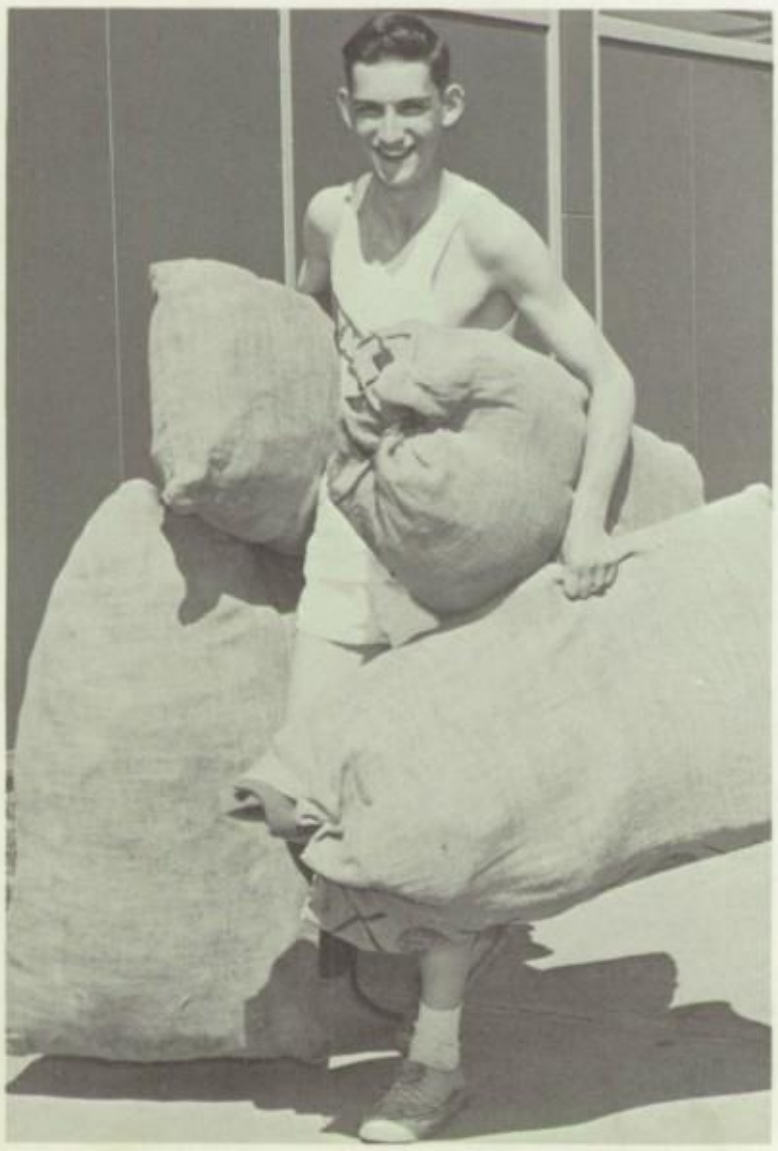
So, come on, guys—give it a try!



Coach Dianetti works with the team—needs more boys for '67.

First Row: R. Beck, M. Miller, L. Prescott, D. O'Brien, W. Deller, J. Towner, M. Germaine. **Second Row:** Mr. Dianetti, G. Fribance, D. Martin, T. Ranscoe, R. Copp, M. Harrington, J. Sozio, M. Masciangelo, D. Estrich, T. Habeck, P. Marzullo

TRACKMEN SPRINT FOR BETTER YEAR



In the 1966 season, the Fairport trackmen won two meets and lost six. Though it was not a winning season, the team worked hard; 24 runners out of 34 won varsity letters.

Captain Lynn Prescott set a new school and track record of 51.1 seconds for the quarter mile. Though he didn't qualify at a statewide meet at Schenectady, N.Y., he gained valuable experience. He won the County and Section V tournaments. Richard Copp, another outstanding runner, posted a 2:05.5 in the Monroe County trials.

Says Mr. Dianetti: "We have a young team; we will do better this coming season."

All in a day's work.

First Row: S. Faucher, D. Gropp, C. Reed, G. Atkinson, M. Gagliardi, R. Porta. **Second Row:** C. Schultz, D. Williams, J. Schoolmaster, G. Granger, S. Karol, C. RAIDERS REACH FOR RECOGNITION

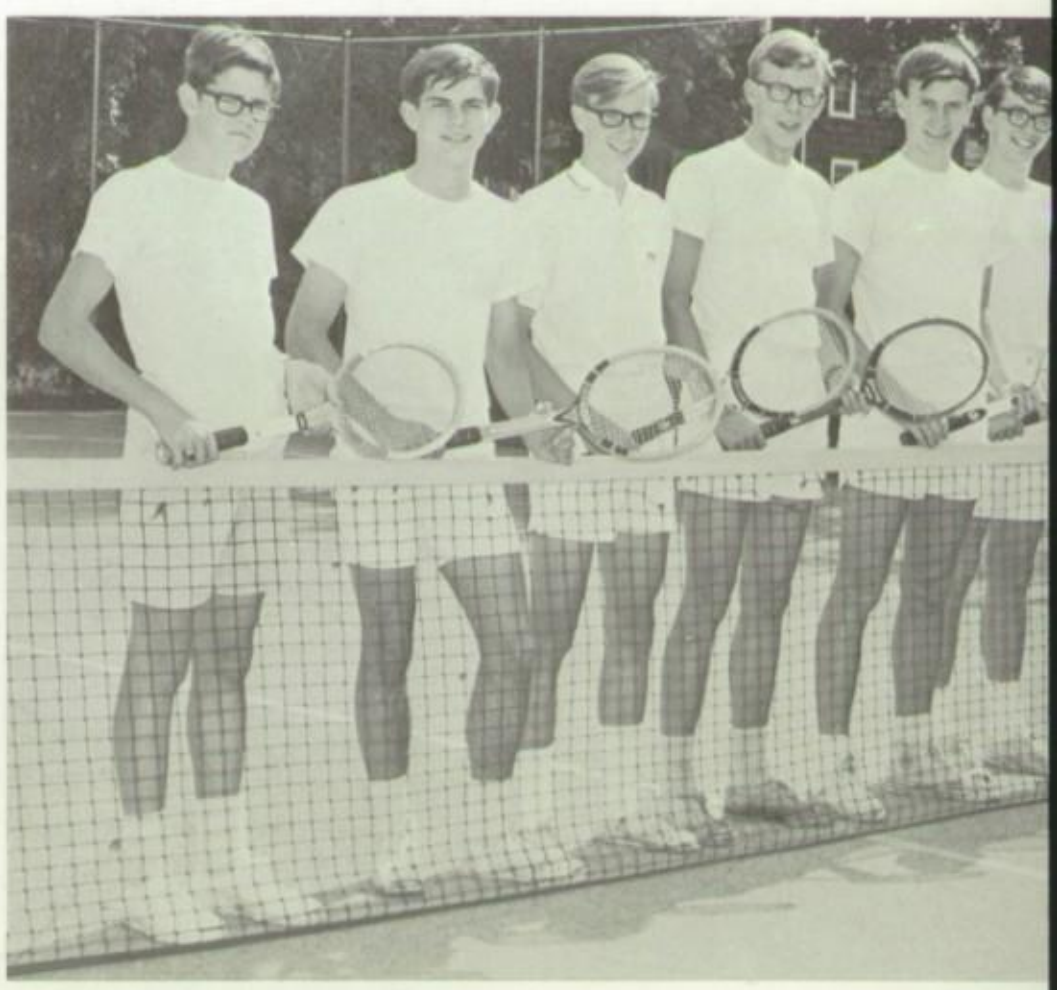
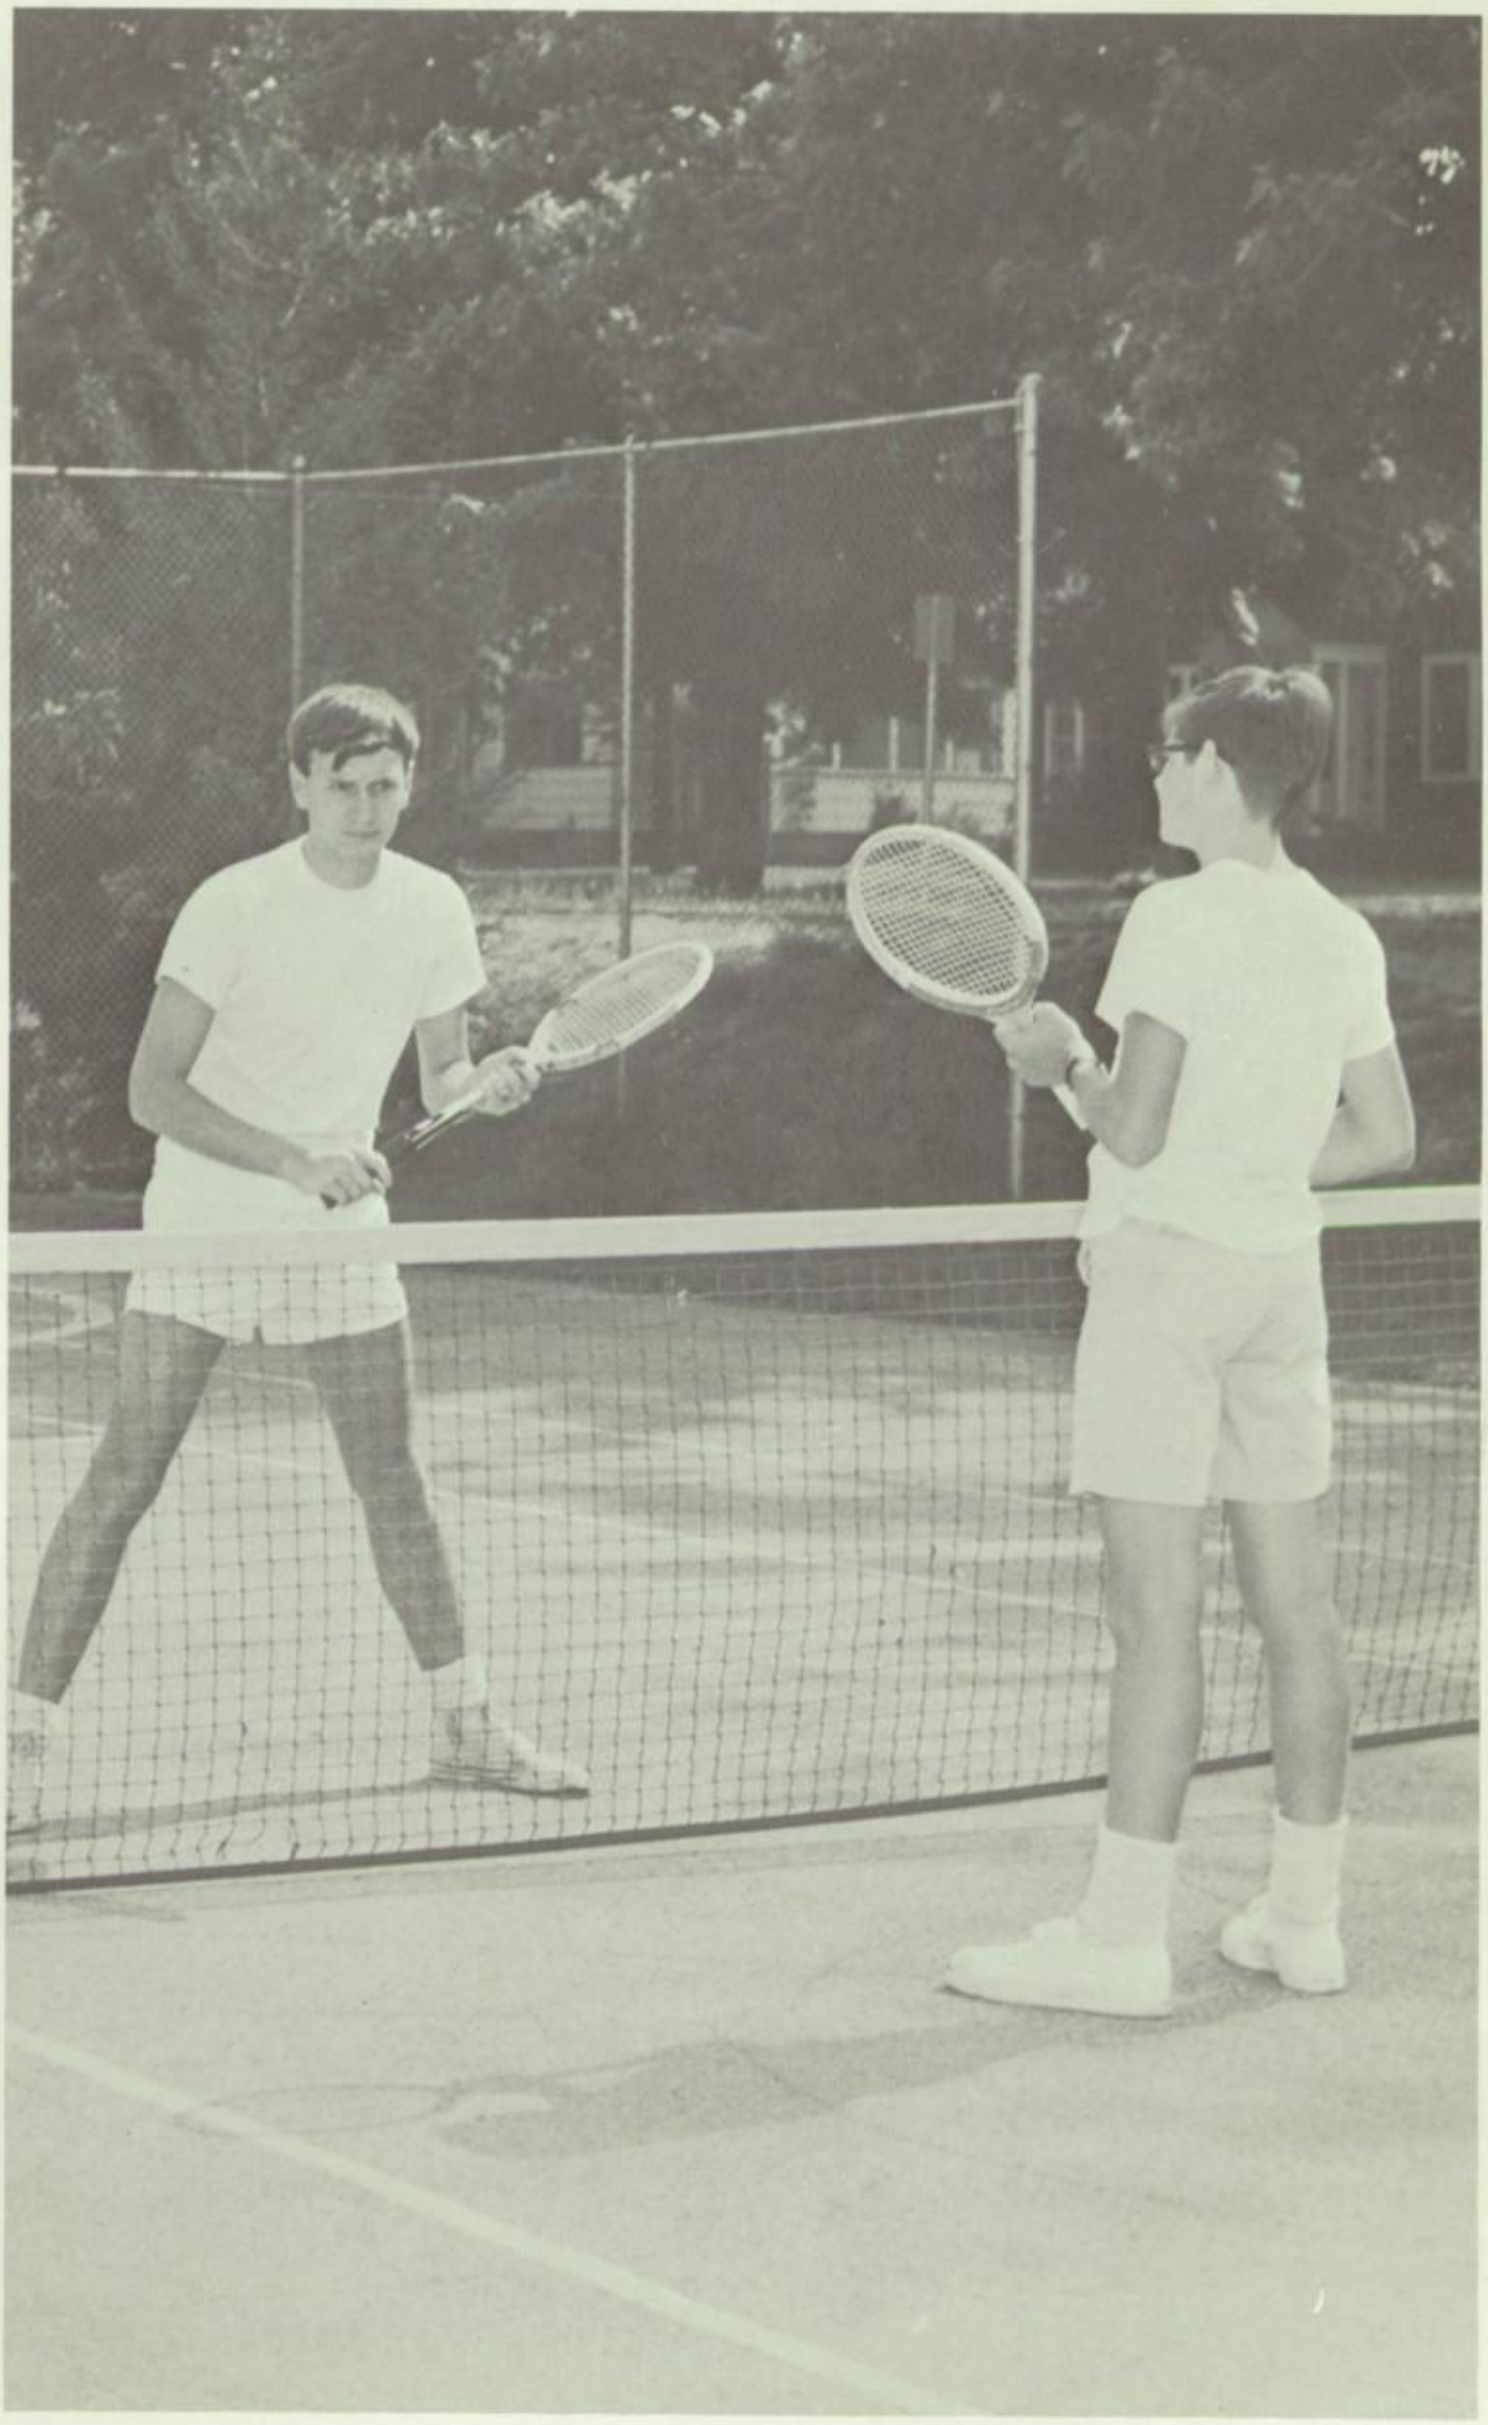
Both the baseball and tennis teams had good seasons in 1966. Our netmen had five wins and five losses; a fine record, though below Mr. Amyot's expectations for Fairport. Seniors Tom Stevens and Bill Colwill showed the most outstanding ability, with the other players, evenly matched, close behind.

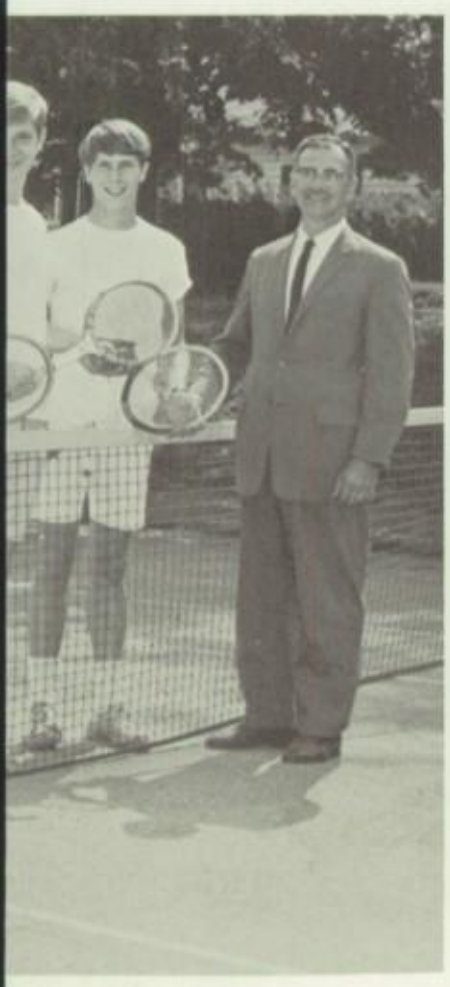
The young baseball team came through with just under a .500 record for the year. Since most of the team were juniors and sophomores, three-quarters of the infield will return in 1967.

Mr. Brownell and Mr. Amyot look for an equally good or better season this year; what they need is student support!



TENNIS- M. Cummings, R. Stone, C. Faucher, S. Kinney, F. Heil, T. Stevens, B. Colwill, T. Prozeller, Mr. Amyot.





"Now's our chance; we can pound him with these rackets and make a break for it."

D. Smith, J. Pierce, J. Paddock, S. Lewis, J. Murphy, A. Fernaays, P. Gorsuch, Coach Paddock.

RAIDERS TURN TO LINKS

Last year the Raiders added golf to their long list of sports. Their first year they showed promising skill. Seniors, Alan Fernaays and Bruce Keplin, aided the team in beating Rush Henrietta and the Faculty.

Due to the ingenuity of Coach Paddock the team had their own nine hole course in the back of the school and played their matches at the Kanadaque Golf Course. With continued hard work and enthusiasm during the season the team will be more successful in '67

CLASS HISTORY

Our class began its Freshman year in the strange surroundings of Minerva De Land High School. We worked hard at our studies, and enjoyed the activities sponsored by the upper classmen. We didn't begin our projects until our Sophomore year, when our class sponsored a Sadie Hawkins Day Dance.

We met our Junior year with mixed emotions. With the joys of having class rings and dues, came the usual problems with American history and chemistry. The year ended on a gay note with our Junior Prom, "Blue Moon".

One of our first experiences as Seniors was meeting our two exchange students from Germany, Burkhard Menzler and Wilhelm Bremer. They soon became an active part of our class, helping sell magazines and working in our hot dog stand at home football games.

At the close of football season, a Senior girls' football team defeated the Raiders' varsity squad in a game of flag football.

Our Senior Ball was held in the high school gym on December 27, 1966. Much of the excitement of the holiday season was reflected in its theme "Kaleidoscope".

In June our Senior Banquet and Graduation ended our most rewarding year.
